### **Presidents Report**

#### GUEST SPEAKER AT OUR NEXT MEETING

Will be Allan Brunt - Topic: F1.  
Charlie and Al were very lucky to snag a couple of tickets to Friday's practice in the Omega Lounge immediately above the Red Bull F1 garage on Pit Lane. We saw all the action and just let's say, the F1 teams do a tyre change in 3 seconds. If Al was doing it, it would take him 3 seconds to think about picking up the rattle gun. They were slick!!

#### WORKING BEE

We have changed the date to Saturday, March 29<sup>th</sup> at 9 am. This working bee is part of the deal with DECA that we will make up and deliver a number of tyre bundles. Also, while we are there, we will make up replacement tyre bundles for Mooroopna track, so bring along gloves, pliers, multi-grips and a bit of energy. We would also like a few tandem trailers to be able to deliver these tyre bundles to DECA. We all know the reason why.

See you at the meeting,

Charlie Brown

## COMPETITION REPORT

The first round was cancelled because it was just too hot for some of us old blokes. Sunday, March 2<sup>nd</sup> was kick off day for 26 drivers that greeted the starter's flag. Conditions were warm and dusty.

A Class: Andrew had an easy win with Stan checking out the track a number of times before venturing out. Darren King got pipped by 10 seconds for second place by Stan.

B Class: Hagan. What has he done to his yellow beast? He has had the best day of driving since he has joined the club, finishing just in front of Russell Smith

C Class: Sean has learnt how to harness all the power in Kermit in finishing in front of Charlie and Justin.

D Class: Greg Melton has had a car change for this year with a lot more power. When Max Thompson stopped doing circle work, he started to go quick in a forward direction.

Ladies: Emma Woodward, Sarah Thompson and Hannah Polkinghorne. The more they drove for the day, the more they improved. But, let's just wait for the rage to start.

Dale, in his special, looked to have had a lot of good fun.

J-Racers: 7 turned up. Lachie is still the one out front with Blake and Zane picking up the places. But, let's see the improvements throughout the year with Mitch, Toby, Sasha and Briony.

Overall, just in front - Andrew. If we didn't see Hagan hit the tyres, it would have been a complete different outright winner but Greg Melton was only 300<sup>th</sup> of a second off an outright on the day. With a lot of improvement in all the drivers, no-one will be game to put a foot wrong. And, who else is going to take it up to them?

Let's wait for the next meeting on Sunday.
