Notice of Meeting:

When: Monday, October 6st

Where: Terminus Hotel.

Time: 7.30 pm

Presidents Report

WORKING BEE

The track has been sprayed. Thanks to Darren for plumbing up the sink and having hot water. Thanks also to Aaron and Andrew for straining up the wires and patching the fences around the track. We are hoping to keep the kangaroos out.

SECURITY

As most of you would be aware by now, we have cameras up above the containers and smile every time you go through the gate and wave sometimes.

The container now has a keypad with sirens. There are about six of us with the code so if you don't have a code and key to the container you will need to see Charlie or Jim for a code, otherwise you could have a visit from security.

WINTON 6 HOUR

It's upon us in the next three weeks the Winton 6 Hour will be happening on October 18th / 19th. All team managers and teams have been organized with the managers having their work cut out sorting out chaos. To all the drivers check your cars over; kick your tyres and best of luck.

To the other members and friends who are not competing, this is an open invitation to come across and help out as we will need timers and lapboard holders; so if you would like to support any of the drivers you are most

welcome. This could be you next year out there driving. To all the Juniors, you are most welcome to come and help.

The club catering is being prepared by Lisa Melton and she will need helpers throughout the day as this will be a progressive bbq.

The club meeting is on Monday night. All participating drivers will need to be paid up in full – see Jim.

COMPETITION REPORT

Thanks to Craig Hanson and the many hours he put in for a very successful navigational Khanacross. Also, to his helpers that supported him in preparing the track and notes.

Results are still being finalized and will be presented at Presentation Night because the winners of Men's, Ladies and Juniors will all receive medallions.

Just a brief rundown: 18 drivers and navigators turned up to a very successful afternoon/night and I know myself it has taken about eight years to try and understand the written instructions so to the new navigators don't worry if you didn't get it right.

The guys to look out for the awards on presentation night, from what I gather, will be Hagan, Blakie, Justin and Tori. According to the Judge, these people seem to have gone down the right track at a reasonable pace.

UPCOMING EVENTS

There are two upcoming events out at the track so if you are very close on points in your class you will need to turn up because each winner in each class will receive a trophy. One of these

events will be the Terminus Hotel Regularity Event which everyone in the club from the slowest to the fastest driver has a chance to win.

J Racers – don't forget you must have done five or more events for the year to pick up your awards at presentation night. Also in this class, there is a first, second and third trophy.

THE WHISPER

Security has been at a good level at the track with smoke signals going up, a few phone calls being made to see who the culprit was. There was only one phone call made because they knew who the culprit was. We don't name names in this column.

Presentation Night is looking more and more attractive. Keep Friday night, December 5th clear. Don't forget everyone is welcome – wives, partners, girlfriends, kids.

The Whisper says – the two teams at Winton will not go any better than 8th outright.

See you at the meeting,

Charlie Brown

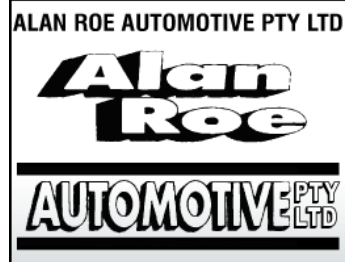

SDCC thanks its sponsors
