Notice of Meeting:

When: Monday, April 4th 2016

Where: Terminus Hotel

Time: 7.30 pm

Presidents Report

**SEE YOU ALL MONDAY NIGHT, 4th
April @ 7.30 TERMINUS HOTEL OR
EARLIER FOR TEA**

KHANACROSS

Don't forget, Sunday, April 3rd out at the track which will be the second round of the point score series. The last meeting was cancelled because it was just too hot for the old blokes. Before we get going at this meeting there will have to be a big round up of the horses. We are trialling this to keep the fuel load down at the track.

In the past, some meetings have been held up by late entries. What needs to happen is that when you arrive your paperwork needs to be done first and then your car taken off the trailer to be scrutinized. Cut off time for entries will be 15 minutes before drivers' briefing otherwise there could be a \$25 late entry fee imposed. This will allow the timekeepers to have everyone in the computer and to be able to start on time.

WORKING BEE

Again, thank you to everyone who helped at the working bee on March 5th in preparation for our round. A lot was achieved. The only thing we will need to do for our Sunday meeting is for a few people to turn up a little earlier to tyre mark the tracks.

FIRST AID COURSE

A Level 2 First Aid Course will be run on Sunday, April 17th at DECA. Books and worksheets will be handed out at the club meeting on Monday night. Books need to be read and the answer sheet filled in prior to the day in order to take part in the course. The cost to club members for this course will be \$50; non-members will be \$100.

Our current Level 2 membership has expired and I consider this course very important to the club as through CAMS we need Level 2 First Aid at all our meetings as a minimum requirement.

With most members holding a Level 2 First Aid it's all about sharing the load at our meetings as we have an emergency procedure in place and recovery vehicle allocated for each meeting. Hopefully, we never have to use it but with cars and speed at the moment, each driver would like to know that someone knows what to do in an emergency.

COMPETITION REPORT

There isn't one – it's been too hot!

I see a number of members have participated at other tracks which is great to see that they are all very eager for competition.

See you all on Sunday, April 3rd.

HILL CLIMB

This event will be held on Sunday, May 22nd. This will be our 10th anniversary of hosting a very successful hill climb event at DECA. Also, it is the 10th anniversary for Jim Hepworth being Clerk of Course.

Unfortunately, the Captain and Vice-Captain will be away for this event. Therefore, we will need as many people to help on the day so the event runs as smoothly as it has in the past.

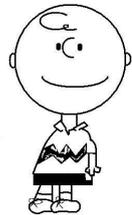

For information to Club Plate members, this is an event where you are required to help out so contact Jim or Andrew and let them know you'll be there.

THE WHISPER

One of our very fast Kyabram drivers has been spotted with a female on his arm at a rodeo event in NSW over Easter. What usually happens when a female comes on the scene is that the driver often slows down. That's ok!

Our Vice-Captain was recently seen cruising down the highway on a Harley. Another toy?

See you at the meeting,
Charlie Brown

SDCC thanks its sponsors
