MEETING

Hi this is not the president because Charlie has been on an overseas trip. I have it on good authority after much resistance that border patrol finally let Charlie back in the country (waste of tax payer's money). While he was away I will give a brief outline of some the things that have happened. Early May we kicked off with the Hospice Car Rally, SDCC was represented by the 777 team which comprised of Jamie Cowan, Dallas Rundle, and myself along with co-drivers etc. A good fun weekend was had by all, with the event raising over \$70k. The driver's results saw Jamie in individual placing as 4th outright, and team 777 3rd outright in the team's event. Any members looking for a fun weekend and a chance to meet likeminded people should consider coming along next year. We hosted the Victorian Hill Climb at DECA, what a great day everything went like clockwork. A big thanks to all members who help out. It was a huge team effort and very successful for the club. It was the tenth time that SDCC has hosted the hill climb and we were well supported with over 60 entries. Unfortunately our last event at Mooroopna was washed out, better luck next time.

A little note from Jim.

To all club members:

A membership renewal is attached to enable your club membership to be renewed for the 2016/2017 year. **Memberships are due on 1/7/2016.**

Competing members need to be current financial members so if you are intending to compete at DECA on the 3/7/2016 you will need to have renewed your membership.

Members with cars registered on the club permit scheme also need to hold current membership. If you intend to driver your special car early in July remember to renew your membership before then otherwise you are not registered.

Payment options are listed on the membership form.

Thanks.

Jim

Competition report

By Brianny Nickson

On Saturday the 30th of April was our first night Karnacross of the year.

It was a good night, with only a small amount of competitors.

The track was slippery and muddy in some spots soon drying out to a decent track.

With so many driving lights and a few newly modified cars. The night runs brought plenty of surprises, with tree removal (Hagan and Gary) not to mention many names.

In A class Andrew McAuliffe was on top of his game all night.

In B class: Darren king came home in first position in B class, with Gary Nickson (first time driving at the club)

In the first time out in the Celica coming in second.

C class: Lachlan Melton drove superbly all night beating his mentor Charlie Brown by 4.2 seconds, coming in third was Greg Melton.

D class: James Thompson came first in his Nissan Pulsar (as Josh Bohm would say go Nissan!!!!)

J class: First was Josh Bohm, who drove superbly in his modified Subaru.

Second in class was Brianny Nickson in the first time out Celica.

W class: Was the battle of the titans. Hagan in the WRX and Darren Bohm in the newly modified (first time out) Subaru. With both guys showing above average driving skill.

Overall it was a fantastic night enjoyed by all.

A Big thank-you to Justin Aylett and Lachie Melton for their fantastic efforts of mounting wiring and timing.

Thank-you to Lisa Melton for keeping all the troops feed on a cool night.

See you at the meeting,
Charlie Brown (Not)

SDCC thanks its sponsors
