Notice of Meeting:

When: Monday, June 2nd

Where: Terminus Hotel.

Time: 7.30 pm

Presidents Report

The Meeting was on Monday night. As Andrew sent out the notice of meeting, the Editor was a little slow this month as the days ticked on fairly quickly.

Not a lot happened this past month so I am going to take a little time and highlight what a lot of our members do behind the scenes so we can have a successful meeting out at our club track.

First of all before the season starts, someone needs to formalize the calendar so it does not clash with too many other events throughout the year. Then someone has to contact CAMS and get the permits required for our events and also with those permits we have to have a Clerk of Course and sometimes a Steward.

Early on race day, someone has to arrive early to open the gates then have a bit of track maintenance and then set the tracks for the day. While all this is happening someone is setting up the electronic timing (which I am still working out how to beat!) then someone has to put all the competitor's names into the computer which it then highlighted on the TV screen (which is some of the best club timing in Victoria).

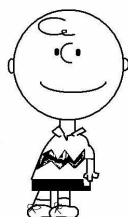

Before the cars go out, someone has to scrutinize cars to ensure that all cars are in a safe state. Around lunchtime, the BBQ comes out which always smells good and usually there is a couple of tubs of cupcakes which don't last long.

After the event, everything is dismantled and packed away and the last guy out makes sure everything is locked and locks the gate as he leaves. And within a day, all the results are then formalized and sent out to each competitor to look over to see how well they did on the day.

The first Monday of each month we have our club meeting where all the politics is usually sorted out.

I haven't mentioned any names here, but there is a large number of people in the club that just go about making the events run very smoothly. Because of this the club has become very successful and to all members I would like to thank you for your efforts in making SDCC a very well run club with a growing membership

See you at the meeting,

Charlie Brown

COMPETITION REPORT

27 drivers turned up at the May meeting; 11 of these were juniors. I will mention one driver at the end of this report.

Juniors

I would like to thank Darryn King first for doing the most laps around the course for the day. He has done about 30 laps in the car with so with all this I have spoken about the Buddy system so let's see if we can help Darryn cut his laps down.

Out of the Juniors, Lachie is still out in front with Zac Fell not far behind him. New member, Josh Bohm, has slipped in well into third place but he won't have it all his way because there are another eight Juniors out there which I see all improving every time they go out. So times are going to be falling every time which will make for a very competitive class by the end of the year.

D Class

Greg Melton has shown a clean pair of heels over his rivals of James Thompson and John Fell. If Greg can get it right, he will be running for outright honours.

C Class

This class is getting bigger with Sean Canning having "Kermit" screaming and Charlie following in the dust. Sitting on Charlie's taillights is Lachie Frampton.

B Class

Hagan is improving every time he gets onto the track with Darryn King doing 30 laps he knew where he was going after a while to pull into second place in front of Russell Smith.

A Class

Andrew is still out front in A Class with new member, Darren Bohm, finishing second just in front of Polkie.

Ladies Class

Emma has it all on her own at the moment which is showing great improvement.

Overall, Andrew has it outright but Hagan has twice this year had penalties which has stopped him from being outright. We need to have a serious talk to Hagan about his driving so he doesn't get penalties where everyone can see them or come in and tell us he has penalties down the back. But don't forget Hagan, I want to see this celebration dance when you win outright.

THE WHISPER

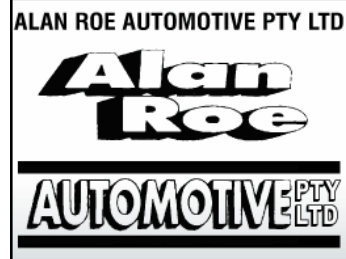

More juniors are coming which is great for the club

SDCC thanks its sponsors
