Presidents Report

**SEE YOU ALL MONDAY NIGHT,
FEBRUARY 2nd, @ 7.30 TERMINUS
HOTEL OR EARLIER FOR TEA**

Welcome to 2015. This year looks to be a full programme for everyone.

Presentation Night is over. Another fantastic night for all who attended. Congratulations to all winners. A special mention to Lisa Melton for taking home the Best Clubman Award but we don't forget all others who helped her throughout the year.

2015 CALENDAR

Jim has been working hard on this and with a little rescheduling the calendar should be out soon, if not we should have a print out on Monday night. That's ok Jim?

DECA 2015

On Monday night, Andrew will give us a detailed report on the progress but I believe the hill climb scheduled for May is going ahead and that SDCC have scheduled two meetings there later in the year with a new event format to be discussed at the meeting.

NETWORKING

Al and Charlie in the last month or so have been out networking with the Swan Hill Car Club and the Albury Car Club. It looks like there will be some very exciting racing at Swan Hill DECA Albury if you guys are interested.

By the way, I need support from the SDCC club when we go to the Albury DECA track as I have said to Corey Gillett from the Albury Car Club that he "can't drive for #!\$#&%{" and Corey said "turn up and we'll see"..

WORKING BEE

Before our Test & Tune day we will need to get out to the track on the Sunday morning and have a clean up; maybe clean the toilet and fill it with water. The fence has been cut again over the back where Aaron had repaired it. The track will need dressing and may be a bit of slashing.

TESTING ALREADY DONE

Over the Christmas period the enthusiasm has not stopped as the Whisper has noticed a number of people out there already testing. So this is an indication of how much more fun we will have at the club this year. Many of these people testing are juniors.

RACE DAY PROCEDURE

Just a reminder when you first arrive paperwork, paperwork, paperwork! Get that out of the way then go and unload the car, line it up ready for scrutineering. When all that is done, then you can start socializing! This will enable the timers and Ray to start the events on time if the scrutineers have done their job.

CLUB PLATE HOLDERS

Club plate holders who do not participate in events will be required to officiate at three or more events per

year as an official to retain their club plate permit. If this doesn't happen, you will be having your club plate cancelled. Talk to Charlie or Jim if this applies to you.

Dallas hopefully will give us the latest update on Vic Roads requirements for club plate holders, eg roadworthy and making sure your car meets the criteria for club plates.

THE WHISPER

The Whisper was there on Presentation Night and he would like to thank all sponsors for the door prizes as the Whisper took one home.

SPONSERS:

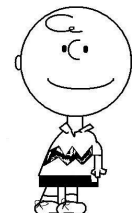

Graham Thompson Motors –
Kenworth Trucks
Auto Barn
Allan Brunt Automotive, Underra
Lincot Insulation

Thanks to all for the sponsorship.

The Whisper would also like to congratulate all winners and they will be out and around this year and good luck.

The Whisper will have their ear to the ground letting you know before it happens.

See you at the meeting,

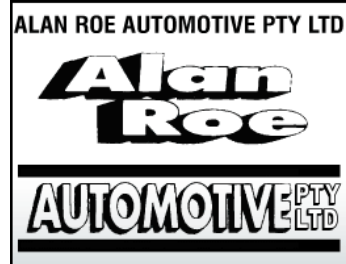

Charlie Brown

SDCC thanks its sponsors
