## **Presidents Report**

**SEE YOU ALL MONDAY NIGHT, MARCH 2nd, @ 7.30 TERMINUS HOTEL OR EARLIER FOR TEA**

I am standing in for the President who is just way too busy to put pen to paper.

Reminding everybody this Sunday is Round 1 for the 2015 calendar. When arriving at the track remember to do your paperwork first before unloading your car. This will help make the day be smoother for the officials. In order to be in the running for the class win and the championship, you must complete a minimum of 5 events for the year.

Work at DECA is going well. We have built our first prototype tyre barrier and are now waiting for CAMS to visit and approve. Then all hands on deck for a huge effort over next month or so to complete the rest. We will keep everyone up to date.

Slap Wheels, which is part of the Shepparton Rotary Club, have asked for an expression of interest from anyone from the SDCC wanting to display their race car at the upcoming Car Show at DECA on the 29<sup>th</sup> March. I think this could be a good opportunity to broaden the club image. A mix of road and dirt cars and a couple of members to field questions from the public over the course of the day would be good. Let's talk about it at Mondays meeting.

For those attending on Sunday, take note of the old rubbish tip that has transformed into a very fast sweeper. Earth works were carried out over the break.

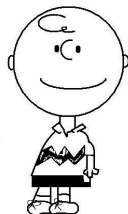

While the grass is low we should start thinking about rounding up the loose tyres from around the track so the mower can visit more places.

## THE WHISPER

Sam Crow was spotted riding amongst the rank and file of the SDCC, does that mean we can all be bad boys too?

The Whisper will have their ear to the ground letting you know before it happens.

See you at the meeting,

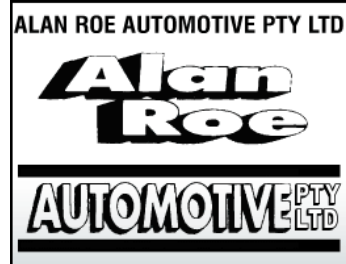

Charlie Brown
