Notice of Meeting:

When: Monday, May 2nd 2016

Where: Terminus Hotel

Time: 7.30 pm

Presidents Report

**SEE YOU ALL MONDAY NIGHT, 2nd
May @ 7.30 TERMINUS HOTEL OR
EARLIER FOR TEA**

MEETING

Our next meeting is Monday, May 2nd, 2016 at 7.30 pm at the Terminus Hotel. Our Vice-President will be hosting the meeting as your Captain won't be there.

KHANACROSS

Saturday, April 30th is our next Khanacross which will be the third round of the point score series.

Just for a bit of interest, we are having a handicap event inclusive to the Khanacross which will be a knock out round to see who is the most consistent and improved on the day. The Captain and Vice-Captain have come up with a formula for the handicap and it's just a bit of fun.

In the past, some meetings have been held up by late entries. What needs to happen is that when you arrive your paperwork needs to be done first and then your car taken off the trailer to be scrutinised. Cut off time for entries will be 15 minutes before drivers' briefing otherwise there could be a \$25 late entry fee imposed. This will allow the timekeepers to have everyone in the computer and to be able to start on time.

FIRST AID COURSE

A Level 2 First Aid Course was run on Sunday, April 17th at DECA. Thanks to Darren King and DECA for use of the facilities. It was pleasing to see 14 club members and 10 non-club members participating in this course which was hosted by Mark an ambulance officer from Mt Beauty. We found this very informative and some of it was directed to what could happen at a car club event. Hopefully, we never have to use it but with cars and speed at the moment, each driver would like to know that someone knows what to do in an emergency. It's all about sharing the load at our meetings as we have an emergency procedure in place and recovery vehicle allocated for each meeting.

COMPETITION REPORT

There should be two separate competition reports coming in from the last meeting.

HILL CLIMB

As a reminder, this event will be held on Sunday, May 22nd. This will be our 10th anniversary of hosting a very successful hill climb event at DECA. Also, it is the 10th anniversary for Jim Hepworth being Clerk of Course.

Unfortunately, the Captain and Vice-Captain will be away for this event. Therefore, we will need as many people to help on the day so the event runs as smoothly as it has in the past.

For information to Club Plate members, this is an event where you are required to help out so contact Jim or Andrew and let them know you'll be there.

PHILLIP ISLAND 6 HOUR

An important event coming up is the Phillip Island 6 Hour to be held on July 30th/31st. We will need to know Monday night the team and helpers because there will only be two meetings before it happens.

CAMS STATE NEWSLETTER

By now most of you would have read the articles about Ricciardo's Racers at Sandown which is a junior drive day featuring one of our junior club members, Brianny Nickson. Brianny commented "absolutely amazing; I was very lucky to have some very amazing people and everyone around that supports each other. It's a really good atmosphere to be in and really glad to be part of Daniel Ricciardo's Racers".

I also heard, early in the day, that Tony Dalberto asked participants what they would like to do. Quick as a flash, Brianny put her hand up and said "I'd like to be able to launch the car!". No problem. Twenty minutes later, Brianny had it down pat with some very experienced driver beside her and the word was Dad was sitting in the stand watching the smoke coming off the back tyres thinking "that's my girl". It's a good initiative by CAMS to be hosting the days around the nation.

See you at the meeting,
Charlie Brown
