When: Monday, July 4th 2016

Where: Terminus Hotel

Time: 7.30 pm

Presidents Report

**SEE YOU ALL MONDAY NIGHT, 4th
July @ 7.30 TERMINUS HOTEL OR
EARLIER FOR TEA**

MEETING

Our next meeting is Monday, July 4th, 2016 at 7.30 pm at the Terminus Hotel.

IMPORTANT NOTICE

The AGM will take place on Monday, August 1st. All positions become vacant. It will be a good opportunity for anyone to put their hand up and fill one of the vacant positions.

Note: After about eight years, President Charlie is stepping down (or to the side) so there will need to be a new President. The job role is fairly easy; all you have to do is steer the ship with enthusiasm.

DECA

Saturday, July 2nd, 1 – 4 pm

With many thanks to Darren and Greg, they will host a driver development day focusing on corner apexes helping the Junior drivers out and some of our older drivers also. Where to brake; how to apex and how to drive faster.

Sunday, July 3rd; gates open at 7am

This is our mid-year DECA sprint and throughout the day there will be a motorkhana event running on the skidpan. This will also be a timed event.

We will also need helpers on the day so this is another day for our club plate participants to

help. Hope to see you all there on Sunday, bright and early!

PHILLIP ISLAND 6 HOUR

This will be run on July 30th and 31st. Our teams are set with Jamie Hinz, Lachie & John Frampton, Jamie Cowan and Jim Hepworth. Charlie will be driving for the Deni team. As usual, we would like to see many helpers down there for the weekend and for any future drivers, this is a great weekend to come down and kick some tyres and also help.

Anyone still looking for accommodation, check in with Jim as he usually has a barn with plenty of beds.

WINTON 10 HOUR – October 15th/16th

This is hot off the press or the horse's mouth. This year it will be a 10 hour event same as last year BUT next year it will be a 12 hour event.

People anticipating in driving and helping really need to turn up at the next meeting and put their hands up because if you don't turn up you could miss out. Also on the Friday, I have spoken to Neil and said that we would supply two scrutineers to help out which was much appreciated.

COMPETITION REPORT

Due to glorious rain and plenty of it, most of the track has been under water for almost a month so therefore not a lot has happened except people who have been doing the bitumen sprints. We usually hear about that on Monday nights.

THE WHISPER

There is a show called "Top Gear" with a driver called "The Stig" dressed in white overalls and helmet. However, we have an Australian version. He's dressed in a flannel shirt and a motorbike helmet and thinks he

can drive. But, a couple of us passed him in the kitty litter.

A Porsche driver in the club was competing in the Hospice Rally and claimed he was lost. However, he had "broken down". With some ingenuity and cable ties, he was able to fix the throttle to continue on.

See you at the meeting,
Charlie Brown
