Notice of Meeting:

When: Monday, February 1st 2016

Where: Terminus Hotel

Time: 7.30 pm

Presidents Report

**SEE YOU ALL MONDAY NIGHT, 1st
February @ 7.30 TERMINUS HOTEL OR
EARLIER FOR TEA**

Welcome to a brand new year. My, how times goes so quickly! Within two weeks we will have our first meeting so as a reminder, if you are chasing points, get in early.

DECA

Our first event is on Sunday, February 7th. It's a bit early in the season, but you boys have asked for it. So, if you think you can drive on the bitumen, (most of you say you can), we will need to see you in action at DECA. Maybe Andrew's colours can be lowered! Dallas came close last time. So, hopefully we will see a full field and some close racing.

PRESENTATION NIGHT

Another fantastic night for all. Congratulations to all the winners. There is an old saying: "It's hard to get to the top, but it's even harder to stay there".

With 50+ people attending presentation night, about half went home with door prizes.

Sponsors:

Graham Thompson (Kenworth)
Autobarn
Universal Truck Wreckers
Allan Brunt Performance Motors
Lincot Insulation

I would like to thank these companies for their generosity in donating the door prizes. It is becoming one of the highlights of the presentation night.

Looking forward to this coming season, some of the upcoming events will be:

Three events at DECA with the Swan Hill Car Club possibly come down for one
Our Khanacross at Moorooopna
The Hill Climb event
The Phillip Island 6 Hour
The Winton 10 Hour
The Winton Sprints

and all the other events in between. Another full year of motor sport.

SCRUTINEERING

After we prepare our cars for the new season, one of the things we need to check are the first extinguishers – are they in date? Make sure it's bolted down in it's metal bracket. Some of the other things to check are bonnet catches; cap over the positive terminal on the battery; wheels not falling off; brakes that work; seat belts in good condition; helmet in good condition and everything else that keeps you safe in the car.

TRACK REPORT

Most of us haven't been out over the summer period but the track is still there. Some things we will need to do this year are:

Tyre barriers around trees
A retaining wall in front of the tower
Some signage

THE WHISPER

It's all happening! New cars coming from everywhere – from overseas; Sydney; Kyabram.

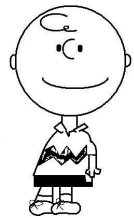

One bloke has imported a car from overseas (Tasmania); a fairly good looking Nissan.

A very super-quick car has been purchased in Sydney. It will make its debut at DECA. In

it's current form, it has some very serious kilowatts but no doubt will be de-tuned.

In a town not far away, where they wheel and deal in cars, they had a turbo Corolla and apparently they now have a much better car so hopefully we see that at DECA.

See you at the meeting,
Charlie Brown

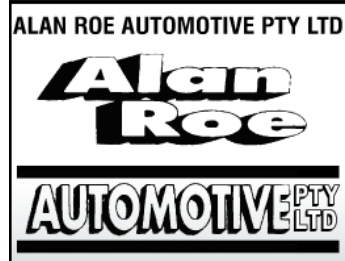

SDCC thanks its sponsors
