Ledfoot's Quickie...

Well another month has gone by and it's time for some auto cross action at the Mooroopna track. The track committee has been busy preparing the track and it's in good nick.

Rumor has it there is a couple of big hitters dusting off there gravel cars to come make some dust !!

So turn up and have a great day

Cheers Dallas.

.....You have 2 ears and 1 mouth for a reason. You should listen twice as much as you speak!!!!!!

Competition report...

Round 2 saw the first dirt event for SDCC with 15 entrants, 3 of which were from outside clubs. The track was in good shape and Josh set 3 fantastic fast flowing tracks.

The winners of the day were...

A class went to Andrew Russell.

C class was full on with 6 drivers and the win taken by Lachy Melton closely followed by Justin who sparked interest around the pits with a huge increase in lap times but he won't reveal his secrets!

D class was once again kiwis, with no one running in the class to challenge him.

W class was taken out by Lachie Frampton who's rear bumper was also taken out by a tyre bundle that must have lept out at him. Lachie also went home with the outright win for the day.

J class was as per usual won by “Josh The Wonder Boy” who can drive the wheels off anything, turning up in his new Hyundai excel rally car to have his first drive. He was followed buy Matt Jones in the mighty trolia kindly lent to him by James Rooke and was followed closely by Brae in the TX3.

VCAS...

Darren and Josh Bohm have been running the VCAS series this year as a stepping stone into the world of rallying and after placing well at both Pakenham and Deniliquin they ventured off to round 3 all the way over in Mt Gambier.

Rumors and videos of the SEAC track was more than enough to have Justin loading up ready to go as well. Leaving Saturday morning and returning home 4pm on Monday it made for a long tiring weekend, but one that was very much enjoyed.

Darren placed 4th outright 2nd in class and Josh 5th outright 3rd in class in the 4wd Corolla wagon. While Justin just had a ball in his Corolla finishing further down down the list with 10th outright of 17 VCAS entrants. The basic review of the SEAC track is: “Awesome, exciting track”!

Kyenton...

The Kyenton Car Club held an event the same Sunday as the VCAS and the Melton boys decided to give it a go. A total of 35 entries finished up with Greg 10th outright and 1st in class and Lachy 11th outright and 2nd in class just 0.21 seconds behind Greg.

Track Report...

The stage is set for SDCC’s first autocross in quite some time.

Dallas and Justin have prepared the track for what should be a good event. With recent rain the surface will be hardening up and it will have a final roll before the weekend.

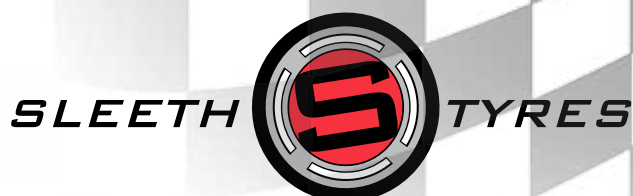

Hill Climb...

The DECA round of the Victorian Hill Climb Championship is fast approaching, which means all hands on deck.

This is a big job for the club, but very rewarding, so if you've got the day free please lend a hand whether it be as a starter, marshal on the track, pit marshal or even just running food from our fantastic caterers to the workers.
