Ledfoot's Quickie...

Greetings again. Well I must start by saying what a sensational effort by the club at the Victorian Hill Climb Championship at Deca. The day went off without a hitch and we were packed up and gone within an hour and a half. I must make special mention of the ladies in the food tent. We had nothing but praise from the competitors !!

The night karna cross went off with out rain. The same can't be said for the last weekend, which was a shame, but there's always next time.

Good luck to all heading to Swan Hill this weekend for the autocross.

Cheers Dallas.

.....When in doubt, power out !!!

Competition report...

Round 4 was a bit of a quiet event with people scattered because other events on the same weekend. There were 13 entrants and 9 runs each, starting in the afternoon and racing into the dark. We had 4 new members and a great day.

The winners of the day were:

A class went to Andrew McAuliffe who ran uncontested.

B class Darryn King took the win ahead of new member Darren Howard.

C class Lachy Melton stole the win yet again in front of dad Greg and Justin Aylett in 3rd and all 3 drivers took the same positions in outright ranks.

D class went to James "Kiwi" Thompson who again ran uncontested.

E class was made up from Justin O'bree and Ross Trotter both new members with Justin taking the win before the car shared by the pair decide to break.

J class was taken out by Brianny Nickson who also took 4th outright for the day followed by Toby King, and 2 new faces Riley Howard and Madellyn King.

Round 5 didn't go very well, in fact it didn't go at all, with the water gates opening at midnight Saturday. it was not a good feeling, and on inspection at 6am, the decision was made to call off the event due to the track being so wet .

VCAS...

Firstly apologies to Mark and Adrienne Johnson who also competed at the Bendigo VCAS round. Mark ran 1st in class and 11th outright, Adrienne ran 2nd in class and 34th outright.

Round 5 hosted by BLCC on the 7th of May and saw Mark Johnson take 3rd in class and 9th outright with Adrienne taking 2nd in class and 35th outright.

Track Report...

Wet, the track is very wet.

The next event at the Mooroopna complex won't be until August 6th, so there is an opportunity to have a few large working bees and tidy up the track focusing mainly in the scrub, cleaning out the rubbish and branches and then levelling the ground to leave the availability of slashing in the trees if one day we don't have the horses to do the job for us.

So keep an ear out and hopefully you can lend a hand when the time comes. If the weather allows, track grading may also take place before August. Hopefully not before too long, the club's grader will be one step closer to being at the track and put to work on a regular basis, after many years being out of service.
