## Ledfoot's Quickie...

Greetings again, not much has happened since our last confession. A few club members had a good weekend at the Swan Hill autocross with class wins and top 3 outright. This weekend we had to swap our Deca sprint for a khanacross at Mooroopna because of some administration issues at Deca. So dust of your gravel cars and get on board.

Cheers Dallas.

## Competition report...

### VCAS:

Round 6 of the VCAS was held in Swan Hill on the 3rd of June with a large turn out from SDCC, Darren and Josh Bohm, Greg and Lachy Melton, Mark and Adrienne Johnson, Greg Jeaschke and Justin Aylett. A total of 52 entrants for the day with no break downs just lots of fun.

Darren fought his hardest but couldn't take the win off Josh and Josh made sure everyone knew. What a fantastic job he's doing to take out 2nd outright only beaten by a trick buggy, and obviously that put him 1st in class. Right behind was Darren with 3rd outright and 2nd in class, there must be something in the Bohm blood. Next was Lachy in 10th place and 3rd in class just managing to score a trophy and getting a huge lead on dad Greg for a change, who got 22nd outright and 5th in class, but closely following Lachy this time was Mark in the trusty 1600 taking 11th outright and 2nd in class. Then there was Greg Jaeschke pushing his \$50 excel to its limits and taking 31st outright and 7th in class followed by Adrienne in the 1600 taking 32nd outright and 2nd in class, then the last of the SDCC runners was Justin doing his usual slow to go fast or sideways to have fun making for some good Photography taking 33rd outright and 8th in class.

The 4th of June was a Swan Hill test and tune to follow the VCAS, however Justin was the only one who stayed to brave the -1.8° night in a tent. Waking to a field of ice covered racecars

and a track lost in fog, it soon grew into a beautiful sunny day consisting of many hot laps in all different cars. And for Justin the scoreboard showed just that, with him finishing mid field.

## Winton...

A small, enthusiastic but dedicated band of entrants headed to Winton last weekend for the 3rd round of the Pedders No Bull Sprint Series.

A class saw Lachie Melton turning over a very respectable 1.45.2 lap followed by Russell Hall with the appearance of his Pulsar SSS making its Winton Debut, putting in a 1.48.8 with some minor fuel issues keeping his times down, but all smiles at the end of the day after nearly a 4 year absence from the Winton circuit.

D class saw Gerard Brunier taking 2nd in class with a 1.43.6 in his VK Holden apparently masquerading on the day as a 1990 Honda Civic???

M Class was a battle between Andrew Russell and Jim Hepworth, with Andrew taking the honours with a 1.34.7 against Jim's 1.35.92.

## Phillip Island 6 Hour...

On the 29th and 30th of July the club will once again head for the Island for a freezing

but fantastic weekend of racing. This year's team MUCCing Around Shepp consists of John Frampton, Lachie Frampton, James Thomson, Jamie Cowan and Jamie Hinz with Justin Aylett taking the manager's role. Team number 8, garage number 8. If you're looking for something to do on the weekend come down and have a squiz, see what it's about, if you're lucky you might even get conned into helping out.

## Working With Children's...

As of August 1st all CAMS officials will be required to hold a working with children's certification in order to officiate at any CAMS event. Checks are free for volunteer positions.
