## Ledfoot's Quickie...

Greetings again, there has been a fair bit happen this last month, with a Khanacross and the Phillip Island 6 hour, which Justin has a full report on and by all accounts, it's the first time in a long time that all the cars have made it through the whole race.

Hopefully we will have a answer on Deca into the next month, so we can move on with the club. We have spent the last year treading water, waiting to see what would happen, so hopefully we can make some plans for the future.

Remember this meeting is the AGM, so if you would like a position on the committee now's the time to put your hand up. Cheers Dallas.

**.....The grass always seems greener on the other side, until you jump the fence and land on a bindi!!!!**

## Competition report...

Things got muddy at round 6 with the back tracks being submerged for so long, but that didn't stop anyone, just another spanner in the works.

The winners were:

A class Andrew McAuliffe ahead of Andrew Russell

B class Darryn King took the win from Russell Smith

C class Lachy Melton came out on top in both class and outright  
E class Darren Bohm showed Frank Garraway who was boss in his Corona

J class Brae Russell took out the win over Toby King

L class Jess Simm won first second third and last in ladies. Great to see her out there.

## VCAS...

Darren and Josh Bohm attended the VCAS round at Maffra.

A track that in Darrens words is "not for the feint hearted".

After all this time their supercharged AWD Corolla wagon has finally broken with the rear diff loosing teeth and occasionally locking the drivetrain, but that did not stop them from continuing on and completing the event. Results have not yet

been published but with the running times throughout the day and top 10 finish is not out of the question even against a field of 110 competitors.

## Track Report...

The track is getting quite chopped out and is in need of grading, however the last month has brought us far too much rain to repair the track and grading will take place this month. Also some ideas are floating around on tidying the compound by closing off the gravel section used for motorkhanas and cleaning it up for parking then creating a dirt motorkhana pad out with the circuit, but still leaving the option to run a motorkhana in the gravel in the event of a flooded track.

## Phillip Island 6 Hour...

The 2017 Phillip Island Victorian 6 Hour Relay has been and gone. Not one black flag or yellow flag breach for the team, no one called up to race control with their manager and license, there's always a first for everything! Unfortunately that still wasn't enough with the team finishing up 37th out of 50. All 5 cars ran faultlessly all weekend until the final hours when Lachie Frampton's tel-star decided it didn't want to pump fuel anymore and Jamie Hinz's RX7 started to have spark issues. Well done to James Thomson on running his first 6 hour and only breaking out twice, better than most first timers down there and a big thank you to everyone involved: Drivers John and Lachie Frampton, Jamie Cowan, Jamie Hinz, James Thomson. Team manager Justin Aylett. Helpers Allan Brunt, Ian and Jenny Watt, Vicki and Jamie Frampton, James Adamo and of course the organizers and volunteer officials who made the event happen.

## Upcoming Events...

August 6th SDCC Khanacross  
August 12-13th Swan Hill 2 Day Event  
August 13th Deniliquin Autocross  
August 20th Winton Sprint Round 4
